The Shell Rock River Watershed District (SRRWD) is accepting bids for hydraulic dredging of sediment from Fountain Lake. Proposals will be received at 214 West Main St., Albert Lea, Minnesota 56007 until November 16, 2018, at 2:00 p.m. CST. Facsimile or electronic transmission of proposals will not be accepted.

The work includes hydraulic dredging of approximately 604,000 cubic yards (with possible increase to 704,000 cubic yards at same per cubic yard price) of sediment, and operation of Confined Disposal Facilities (CDF) for sediment placement and dewatering. Bidders must be a responsible contractor as defined by Minn. Stat. § 16C.285, be properly licensed under the laws governing their respective trades, and be able to obtain insurance and bonds required for the Work. A Performance Bond, separate Labor and Material Payment Bond, and Insurance in a form acceptable to Owner will be required of the successful Bidder.

A pre-bid meeting will be held at the SRRWD’s office located at 214 West Main Street, Albert Lea, Minnesota 56007 on October 18, 2018 at 9:00 a.m. CST. The pre-bid meeting is to be immediately followed by a site walk at the project location. The bidders must provide their own transportation during the site walk. A map with directions of the site walk stops will be distributed to all bidders at the pre-bid meeting.
