

Notice of Public Hearing on October 10, 2023 at approximately 5:01 PM at the Shell Rock River Watershed District located at 305 S 1st Ave., Albert Lea, MN 56007 to review plans for the Fountain Lake In-Lake Habitat Restoration. The goals of this project are to create in-lake and shoreline habitat structures for improved fisheries habitat. Financing for this project comes from the Lessard Sams Outdoor Heritage Council. All persons who might be affected by the proposed project or who may be interested in the proposed project may appear and be heard.
