

Notice of Environmental Assessment Worksheet. The Fountain Lake In-Lake Habitat is a project constructing fish habitat within Fountain Lake located in the City of Albert Lea, Freeborn County, Minnesota. Project work will include construction of rock reefs, brush reef cribs, spawning areas, and a toe-wood bank stabilization. The EAW is available to view electronically at www.shellrock.org and during business hours at the Shell Rock River Watershed District office, 305 S 1st Ave, Albert Lea, MN. Submit written public comments addressed to the "District Administrator" by 4:00 PM on July 20, 2023.
