Mission Statement

The Shell Rock River Watershed District mission is to implement reasonable and necessary improvements to the water-related and other natural resources of the District. Many water-related issues are currently being addressed by one or more local, State, and Federal government agencies. The Board will review current levels of enforcement, funding, and labor available to fully achieve stated goals. The Board may increase the extent or pace of implementation by providing the necessary leadership, and assist with funding, volunteer support, and services necessary.
